

Booksmart Exclusive Book Fair

A **Booksmart** Book Fair is an event that brings kids, parents and teachers together to motivate independent reading among each other.

We provide all the material for such event, including:

- Promotion package: Posters to promote the book fair inside the school and a PDF invitation to send out to the parents.
- A variety of titles from pre-k to 9th grade.
- Bring all the exhibition material: tables, racks, posters.

Your students will love a Booksmart Book Fair because:

- Of the wide selection of titles.
- Will help your library collection grow with popular titles.
- We have the newest and best selection of titles.

A Book Fair will be a huge success if the school promotes it among its students and parents.

Our commitment is to provide all the material before and during the book fair. But we need your help encouraging your students
